Important legal information, disclosures and terms you should know

IMPORTANT INFORMATION ABOUT OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may ask to see your driver's license or other identifying documents.

TERMS AND CONDITIONS OF YOUR ACCOUNT

Agreement. This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of Michigan and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

1. Summarize some laws that apply to common transactions;
2. Establish rules to cover transactions or events which the law does not regulate;
3. Establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
4. Give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

Liability. You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

Deposits. We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of endorsement or lack of endorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party endorsers to verify or guarantee their endorsements, or endorse in our presence.

Withdrawals. Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals or to indorse any item payable to you or your order for deposit to this account or any other transaction with us.

Postdated Checks. A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount and payee of the item.

Checks and Withdrawal Rules. If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified.

Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification. If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

Overdrafts. You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts, except for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service.

We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

Multiple Signatures, Electronic Check Conversion, and Similar Transactions. An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

Notice of Withdrawal. We reserve the right to require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D. (The law requires us to reserve this right, but it is not our general policy to reserve it.) Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

Ownership of Account and Beneficiary Designation. These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account. This is an account in the name of one person.

Joint Account - With Survivorship (*And Not As Tenants In Common*). This is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account - No Survivorship (*As Tenants In Common*). This is owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the "number of signatures" necessary for withdrawal.

Revocable Trust Account. If two or more of you create such an account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating this account type reserve the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Business, Organization and Association Accounts. Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

Stop Payments. Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from anyone of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not. Generally, if your stop-payment order is given to us in writing it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was verbal your stop-payment order will lapse after 14 calendar days if you do not confirm your order in writing within that time period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order. If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

Telephone Transfers. A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same person and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

Amendments and Termination. We may change any terms of this agreement. Rules governing changes in interest rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. You agree to keep us informed of your current address at all times. Notice from us to anyone of you is notice to all of you. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

Your Duty to Report Unauthorized Signatures, Alterations and Forgeries. You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This

60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your Duty to Report Other Errors. In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances.

However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

Errors Relating to Electronic Fund Transfers or Substitute Checks (*For consumer accounts only*). For information on errors relating to electronic fund transfers (e.g., computer, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

Direct Deposits. If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the U.S. Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

Set-Off. We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt you owe us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we set off, including any balance the due date for which we properly accelerate under the note.

This right of set-off does not apply to this account if prohibited by law. For example, the right of set-off does not apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of set-off.

Check Processing. We process items mechanically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and indorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have not failed to exercise ordinary care solely because we use our automated system to process items and do not inspect all items processed in such a manner. Using an automated process helps us keep costs down for you and all account holders.

Check Cashing. We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

Truncation, Substitute Checks, and Other Check Images. If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept

substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

Remotely Created Checks. Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line. For example, if a person provides an account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue a remotely created check to withdraw money from that account.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

Unlawful Internet Gambling Notice. Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling. If you are a commercial customer, you certify that you are not now engaged in, and during the life of this Agreement will not engage in, any activity or business that is unlawful under the Unlawful Internet Gambling Enforcement Act of 2006, 31 USC 5361, et seq., (the "UIGEA"). You may not use your Account or any other service we offer to receive any funds, transfer, credit, instrument or proceeds that arise out of a business that is unlawful under the UIGEA. You agree that if anyone asks us to process a transaction we believe is restricted under UIGEA, we may block the transaction.

ACH and Wire Transfers. This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

Facsimile Signatures. Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

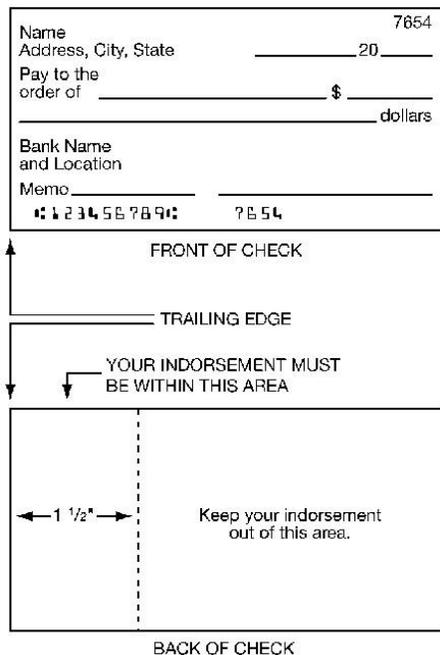

Authorized Signer (*Individual Accounts only*). A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the authorized signer may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the authorized signer. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf. The owner may terminate the authorization at any time, and the authorization is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the authorized signer until: (a) we have received written notice or have actual knowledge of the termination of authority, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of an authorized signer.

Restrictive Legends. The automated processing of the large volume of checks we receive prevents us from inspecting or looking for special instructions or "restrictive legends" on every check. Examples of restrictive legends placed on checks are "must be presented within 90 days" or "not valid for more than \$1,000.00." For this reason, we are not required to honor any restrictive legend placed on checks you write unless we have agreed in writing to the restriction. We are not responsible for any losses, claims, damages, or expenses that result from your placement of these or other special instructions on your checks.

Account Transfer. This account may not be transferred or assigned without our prior written consent.

Endorsements. We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to anyone of you. We may supply any missing endorsement(s) for any item we accept for deposit or collection, and you warrant that all endorsements are genuine. To ensure that your check or share draft is processed without delay, you must

endorse it (sign it on the back) in a specific area. Your entire endorsement (whether a signature or a stamp) along with any other endorsement information (e.g., additional endorsements, ID information, driver's license number, etc.) must fall within 1 1/2" of the "trailing edge" of a check. Endorsements must be made in blue or black ink, so that they are readable by automated check processing equipment. As you look at the front of a check, the "trailing edge" is the left edge. When you flip the check over, be sure to keep all endorsement information within 1 1/2" of that edge will be used by others in the processing of the check to place additional needed endorsements and information. You agree that you will indemnify, defend, and hold us harmless for any loss, liability, damage or expense that occurs because your endorsement, another endorsement, or information you have printed on the back of the check obscures our endorsement. These endorsement guidelines apply to both personal and business checks.

Death or Incompetence. You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or becomes legally incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may payor certify checks drawn on or before the date of death or legal incompetence for up to ten (10) days after your death or legal incompetence unless ordered to stop payment by someone claiming an interest in the account.

Fiduciary Accounts. Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an account, we are not acting in the capacity of a trustee in connection with the trust nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

Credit Verification. You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

Legal Actions Affecting Your Account. If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

Security. It is your responsibility to protect the account numbers and electronic access devices (e.g., an ATM card) we provide you for your account(s). Do not discuss, compare, or share information about your account number(s) with anyone unless you are willing to give them full use of your money. An account number can be used by thieves to encode your number on a false demand draft which looks like and functions like an authorized check. If you furnish your access device and grant actual authority to make transfers to another person (a family member or coworker, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized. Your account number can also be used to electronically remove money from your account. If you provide your account number in response to a telephone solicitation for the purpose of making a transfer (to purchase a service or merchandise, for example), payment can be made from your account

even though you did not contact us directly and order the payment. You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

You agree that if we offer you services appropriate for your account to help identify and limit fraud or other unauthorized transactions against your account, such as positive pay or commercially reasonable security procedures, and you reject those services, you will be responsible for any fraudulent or unauthorized transactions which could have been prevented by the services we offered, unless we acted in bad faith or to the extent our negligence contributed to the loss.

Telephone Instructions. Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission or leave by voice mail or on a telephone answering machine.

Claim of Loss. If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you. You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

Early Withdrawal Penalties (and involuntary withdrawals). We may impose early withdrawal penalties on a withdrawal from a time account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by our setoff against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your notice of penalty for early withdrawals for additional information.

Address or Name Changes. You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

Resolving Account Disputes. We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.

Waiver of Notices. You waive any notice of nonpayment, dishonor or protest regarding any items credited to or charged against your account.

Recording. You agree that we may tape record any telephone conversations you have with us regarding your Account. However, we are not obligated to do so and may choose not to in our sole discretion.

Changing the Terms of This Agreement. We have the right to make changes to this agreement at any time. This includes changes to the fees and charges applicable to the transactions and services covered by this agreement. We will comply with any notice requirements under applicable law for such changes. If applicable law does not specify any notice requirements for the change, we will decide what kind of notice (if any) we will give you and the method of providing any such notice.

Notices. Except as otherwise provided in this agreement, all notices from us will be effective when we make such notices available to you through our Internet banking services or at the last known email address that we have for you in our records. Notice to one joint account owner or cardholder will be effective for all of you.

Terminating This Agreement. We can terminate some or all of the services we provide under this agreement at any time. If we do so, you are required to return any card when we ask you to. You can terminate this agreement at any time by notifying us in writing and no longer using any of the services covered by this agreement.

Specific to checking accounts – we reserve the right to close your account without prior notice following 30 consecutive days of no activity and a \$0.00 balance.

Law That Applies. This agreement is subject to federal and Michigan law. If any of the terms of this agreement cannot be legally enforced, they will be considered changed to the extent necessary to comply with applicable law.

Additional Terms That Govern Your Account. If your account is a transaction checking account, the account will consist of a checking sub account and a savings sub account. The Bank may periodically transfer funds between these two sub accounts. On a sixth transfer during a calendar month, any funds in the savings sub account will be transferred back to the checking sub account. If your Account is a Plan on which interest is paid, your interest calculation will remain the same. Otherwise, the savings sub account will be non-interest bearing. The savings sub account will be governed by the rules governing our other savings accounts. This process will not affect your available balance, the interest you may earn, FDIC insurance protection, or your monthly statement.

FUNDS AVAILABILITY

YOUR ABILITY TO WITHDRAW FUNDS. This policy statement applies to all transaction (checking) accounts. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. For determining the availability of your deposits, every day is a business day except Saturday, Sunday, and federal holidays. If you make a deposit before our closing time on a business day that we are open, we will consider that day to be the day of your deposit (except when deposits are made at an ATM). However, if you make a deposit after those cutoff times or on a day we are not open, we will consider that the deposit was made on the next business day we are open. If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY. Case-By-Case Delays: In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exceptions: In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules may apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available the tenth business day after the day of deposit.

DEPOSITS AT ATMS. Customer deposits made at Northpointe Bank-owned ATM locations prior to 2:00 p.m. EST will be available on the first business day after the day of deposit. Deposits made at an ATM other than Northpointe Bank facilities will be available no later than the fifth business day after the day of deposit. All ATMs that we own or operate are identified as our machines.

MOBILE CHECK DEPOSITS. Customer deposits made via Northpointe Bank's mobile application will be processed and posted to your account within two (2) business days of being received. A business day is Monday through Friday, excluding Federal Holidays or as otherwise posted in our banking office or at Northpointe.com. Funds from a deposit made via Mobile Banking will be available for withdrawal on the fifth (5th) business day after the date of the deposit posts to your account.

YOUR RIGHTS AND RESPONSIBILITIES. Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your Account. Please read this disclosure carefully because it tells you your rights and obligations for transactions listed. You should keep this notice for future reference.

Preauthorized Credits: You may make arrangements for certain direct deposits (such as U.S. Treasury (Social Security) or employer payroll) to be accepted into your Account.

ATM Transfers: You may access your Account by ATM using your Northpointe Bank ATM card and PIN to:

- Withdraw cash from your Account — you may withdraw no more than \$300 per day.
- Make deposits to your Account — deposits made through ATMs are limited to \$10,000 per deposit. When you make a deposit at an ATM with cash or checks, you must put the cash or checks in the ATM deposit facility. All deposits are subject to our verification procedures.
- Transfer funds between your Account and other Northpointe checking or savings/money market account(s).

Some of these services may not be available at all terminals.

Telephone Transfers. You may access your account by telephone 24 hours a day at 877-NORTH-90 toll free. Using your PIN, a touch tone phone, and your Account number, you may transfer funds from your Account to other Northpointe checking or savings/money market accounts or loan.

Online Banking/Bill Payment: If you have registered for an online banking account with Northpointe Bank, you may use a personal computer and PIN to:

- Transfer funds between your Account and other Northpointe checking or savings/money market accounts.

- Pay bills from third parties directly from your Account in the amounts and on the days you request (if you have also registered for bill payment capabilities).

ACH Transfers: We will honor electronic transfers to or from your Account that are properly presented through the Automated Clearing House system or other system that we use, or if they are properly presented by someone else with whom we have an agreement. You must have enough available money or credit in your account to cover any electronic transfer from your account.

E-Checks: In some cases, a check you write to a merchant or to a payee that you pay on a regular basis, such as a utility company or insurance company, may be converted into an electronic debit from your Account and processed through the Automated Clearing House system.

Types of Point-Of-Sale Transactions: You may use your ATM card and PIN to access your Account to purchase goods in person or get cash from a merchant, if the merchant permits.

Point-Of-Sale & ATM Transactions - Dollar Limitations Using Your Card: You may not exceed \$1,500 in point-of-sale transactions per day per account with a Debit card. ATM withdrawals are limited to \$300 per day per account.

Electronic Check Conversion: You may authorize a merchant or other payee to make a one-time electronic payment from your Account by using information from your check to:

- Pay for purchases.
- Pay bills.

Limitations on Frequency of Transfers: In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

- You must have enough available money or credit in your account to complete the transaction.
- Electronic transfers and payments from your Account are limited to six per month, with no more than three transfers by check, draft, debit card, or similar order payable to third parties. We do not necessarily offer any or all of these methods of withdrawal with respect to your Account.
- For security reasons, there are other limits on the number of transfers you can make by ATM or PIN-based merchant transactions.

FOREIGN COUNTRY TRANSACTIONS. This section applies to PIN-based merchant transactions and ATM transactions.

If you use your ATM card or card number for an international transaction, the transaction may be in a currency other than U.S. Dollars. We will post an international transaction to your account in U.S. Dollars based on the applicable currency exchange rate on the day we settle the transaction. The day we settle the transaction may be a different day than the day you used your card or card number. Also, networks through which an international transaction occurs may charge fees that are added to the transaction on amount. As a result, the amount posted to your account may be a different amount than the original amount of the transaction.

By default, the use of your ATM/Debit card is blocked for foreign transactions. As a result, there may be restrictions or prohibitions that prevent you from being able to use your ATM card or card number for certain international transactions or for transactions involving certain countries. Contact us at 888-672-5626 to discuss lifting card usage transactions in foreign countries (in accordance with federal regulations, certain countries cannot be unrestricted).

We charge an international transaction fee equal to 1% of the amount posted to your account for any international transaction.

The transaction is an international transaction if the network that presents the transaction to us processes it as occurring outside of the United States or its territories, possessions or facilities (such as a U.S. military base, U.S. embassy or U.S. consulate). The transaction is also an international transaction regardless of location if the transaction was in a currency other than U.S. Dollars.

FEES. We do not charge for direct deposits to your Account. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer. You may have to pay a fee if you transfer funds using your online banking account to pay bills from third parties. Please

refer to a separate fee schedule for additional information about fees. Except as indicated elsewhere, we do not charge for these electronic fund transfers.

DOCUMENTATION

Terminal Transfers: You can get a receipt at the time you make any transfer to or from your Account using most ATMs or point-of-sale terminals.

Preauthorized Credits: If you have arranged to have direct deposits made to your Account at least once every 60 days from the same person or company, you can call us at 1-888-667-8456 toll free or (616) 940-9400 locally to find out whether or not the deposit has been made.

Periodic Statements: You will get a monthly account statement from us for your Account.

PREAUTHORIZED PAYMENTS

Right to Stop Payment and Procedure for Doing So: If you have told us in advance to make regular payments out of your Account, you can stop any of these payments. This is how: Call or write us at the telephone number or address listed in this disclosure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Please refer to our separate Service Fee Schedule for the amount we will charge you for each stop-payment order you give.

Notice of Varying Amounts: If these regular payments vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for Failure to Stop Payment of Preauthorized Transfer: If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

Liability for Failure to Make Transfers: If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your Account to make the transfer.
- If you have an overdraft line and the transfer would go over the credit limit.
- If the ATM where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you know about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.

There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY. We will disclose information to third parties about your Account or the transfers you make; where it is necessary for completing transfers; in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; in order to comply with government agency or court orders; if you give us written permission; if any of your accounts become delinquent, overdrawn, or involved in legal proceedings (in which case we may turn over information about the Account to an attorney, collection bureau, or other); or in order to comply with government agency or court orders.

PERSONAL IDENTIFICATION NUMBER. We will establish a PIN for you so that you can perform the transactions covered by this agreement that require use of your PIN. You should memorize your PIN. Never let anyone else watch you enter it when you perform a transaction. Do not write it on the card or anywhere else where someone might find it.

UNAUTHORIZED ATM TRANSFERS

Your Liability: Anyone to whom you have given your card and/or PIN can perform the electronic banking transactions covered by this agreement, even if that person exceeds your authority. You are liable for all transactions that you make or authorize. This is true even if the person you authorize exceeds your authority. If you have given someone your card and/or PIN and want to terminate that person's authority, you must notify us that transactions covered by that person are no longer authorized. To notify us, call us at 1-888-667-8456 toll free or (616) 940-9400 locally, or write to Northpointe Bank, 3333 Deposit Drive NW, Grand Rapids, Michigan 49546.

Tell us AT ONCE if you believe your card and or PIN has been lost or stolen. Telephoning is the best way of keeping your possible losses down. Call us at 1-888-667-8456 toll free or (616) 940-9400 locally, or write to Northpointe Bank, 3333 Deposit Drive NW, Grand Rapids, Michigan 49546. You could lose all the money in your account. If you tell us within 2 business days, you can lose no more than \$50 if someone used your card and/or PIN without your permission. (If you believe your card and/or code has been lost or stolen, and you tell us within 2 business days after you learn of the loss or theft, you can lose no more than \$50 if someone used your card and/or PIN without your permission).

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or PIN, and we can prove we could have stopped someone from using your card and/or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

Contact in Event of Unauthorized Transfer: If you believe your card and/or code has been lost or stolen or that someone has transferred or may transfer money from your Account without your permission, call us at 1-888-667-8456 toll free or (616) 940-9400 locally, or write to Northpointe Bank, 3333 Deposit Drive NW, Grand Rapids, Michigan 49546.

ERROR RESOLUTION NOTICE. In case of errors or questions about your electronic transfers, call us at 1-888-667-8456 toll free or (616) 940-9400 locally, or write to Northpointe Bank, 3333 Deposit Drive NW, Grand Rapids, Michigan 49546, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and Account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your Account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your Account. Your Account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this Account is opened.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

BUSINESS DAYS. Our business days are Monday through Friday. Federal holidays are not included.

If you feel that we have violated the Michigan Electronic Funds Transfer Act, you may notify the Department of Insurance and Financial Services, P.O. Box 30220, Lansing, Michigan 48909-7720 or FDIC Consumer Response Center, 1100 Walnut Street, Box #11, Kansas City, Missouri 64106.

NOTICE OF ATM USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM). For your own safety, be careful. The following suggestions may be helpful.

- Prepare for your transactions at home to minimize your time at the ATM.
- Mark each transaction in your account record, but not while at the ATM. Always save your ATM receipts.
- Compare your records with the account statements you receive.
- Don't lend your ATM card to anyone.
- Do not leave your card at the ATM.
- Protect the secrecy of your Personal Identification Number (PIN). Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Don't write your PIN where it can be discovered.
- Prevent others from seeing you enter your PIN by using your body to shield their view.
- If you lose your ATM card or if it is stolen, promptly notify us.
- When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM, particularly after sunset. At night, be sure that the facility is well lighted. Consider having someone accompany you when you use the ATM, especially after sunset. If you observe any problem, go to another ATM.
- Don't accept assistance from anyone you don't know when using an ATM.
- If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave.
- Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
- At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
- We want the ATM to be safe and convenient for you. Therefore, please tell the operator of the facility if you know of any problem with a facility (for instance, if a light is not working or there is any damage to a facility). Please report any suspicious activity or crimes to both the operator of the facility and local law enforcement immediately.
